

Payroll Superannuation Seminar

Sunsuper has created payroll seminars to provide you with key information about superannuation; and to provide an overview of the changes in the superannuation industry.

These seminars will again be hosted in conjunction with the Australian Taxation Office (ATO) and Commerce Queensland. Practical administration and communications information for individuals in; payroll, human resources, accounts, industrial relations and/or finance positions, will be presented.

- **Want to save time on super issues?**
- **Learn more about Work Choices**
- **Interested in Sunsuper services that can help you?**
- **Concerned about Choice of fund?**
