

Downer Mining has a long term contract with Stanwell Corporation to provide total mining services at Meandu Mine. The mine supplies coal to the adjacent Tarong Power Station and is a residential mine located 25 kilometres south-east of Kingaroy, with the majority of its workforce being employed from the local community.

We are currently seeking an experienced Electrical Engineering Planner to join our Maintenance team.

Reporting to the Maintenance Superintendent, you will provide electrical engineering support for electrical and communication activities ensuring tasks are executed in compliance of site policies & procedures. Development of the electrical maintenance plan and scheduling of maintenance activities for the Electrical Team. A key focus of your role is ensuring equipment is maintained to the highest standards whilst meeting equipment availability targets. You will need to collaborate with maintenance supervision across multiple areas to schedule resources and ensure the most effective maintenance outcomes.

ABOUT YOU

- A qualified licenced electrical tradesperson or electrical engineer with minimum 5 years post-trade experience in the maintenance and repairs of earthmoving equipment, materials handling plant, pumps, power reticulation systems and plant control systems.
- Extensive experience in electrical maintenance planning of mobile plant, fixed plant, and infrastructure assets
- Demonstrated understanding of the statutory electrical maintenance requirements associate with open cut coal mines
- Demonstrated experience with computer based Maintenance Planning Systems with experience in AMT / JDE highly regarded
- Strong leadership skills with the ability to work as part of a team
- A strong focus on achieving results for both yourself and for the company
- An overarching commitment to safe work practices and continuous improvement.

WHAT WE OFFER

- Residential based position in the South Burnett Region working a 5/2 roster
- 12 months fixed term contract with an attractive & competitive remuneration package
- A diverse and supportive work environment where individuals are encouraged to show initiative
- The chance to join a dynamic and successful business within the Downer group.
