# EVENT PROGRAM

26<sup>th</sup> & 27<sup>th</sup> April, 2019.

## Welcome to IBRP Kingaroy Speedway

Welcome Competitors, Officials & Race Fans,

On Behalf of the South Burnett Speedway Club, I'd sincerely like to welcome you to the Ian Boettcher Race Parts / Adam Holt Industries 2019 Speedway Sedans Australian National Modified Sedan Title. This will be the first time that Kingaroy has hosted the SSA National Title for Modified Sedans as we can't wait to bring you all the action. This will be the second SSA National Title our venue has hosted after hosting the 2017 Australian Street Stock Title. We must also acknowledge the wonderful opportunity our club gets to host two national titles this weekend, with the Modlites hosting their Australian Title across the next two days.

At the time of writing a staggering 99 Modified Sedan nominations and 37 Modlites have been received and the club is humbled and honoured to have so many drivers from across the country want to support the South Burnett Speedway Club and the Kingaroy venue.

I personally would like to take this opportunity to thank everyone that has travelled such a large distance to compete in this event. When you can attract such an amazing field of drivers to an event, you know the action is going to be phenomenal all weekend. From current champions, to former state and national title winners this is going to be one heck of a weekend.

Our hard working team is very passionate about speedway in particular SSA sedans and look forward to making this another huge success for everyone involved. We'd also like to sincerely thank our major sponsor Ian Boettcher Race Parts along with Adam Holt Industries for their support of this event and for continuing to back our venue. Without all of your contributions, we wouldn't be able to put this weekend together so thank you again for your support. We'd like to also thank Speedway Sedan Australia for backing us and giving us the opportunity to host this event as it has been something our club has aspired to for many years.

If it is your first time here, welcome to Kingaroy and please enjoy your stay. If you need to know anything or have query or concern, please ask any of the hard working club volunteers that we have, as we are very willing to assist where we can.

Other than that, sit back and relax and enjoy the show, as we get set to crown the 2019 National Modified Sedan champion and the 2019 Australian Modlites Champion on Saturday night.

Yours in racing,

Travis Barron  
President  
South Burnett Speedway Club Inc

## Welcome from Speedway Sedans Australia

I would like to welcome everyone to the 2018/2019 Speedway Sedans Australia, National Modified Sedan Title, here at the Ian Boettcher Race Parts, Kingaroy Speedway.

The National Modified Sedan Title is always a highlight of the Speedway Sedans Australia calendar, providing some of the best racing the Country has to offer, as was highly evident at last year's National Title, and if we get a finish anything like that again, who knows what might happen.

Congratulations to everyone here at the IBRP Kingaroy Speedway who will be hosting one of the best fields ever assembled for a National Modified Sedan Title. With all events a lot of work goes into them, with a National Title, the work load is much greater as the host venue tries to make the National Title the best it can be. Thankyou to the hard working Committee who have been working tirelessly on this title since the initial announcement eighteen months ago.

At close of nominations there were 99 entries, with the field including a staggering 14 drivers who have won a National Title, while 24 drivers in the field that have won over 60 titles between them. I would like to pay tribute to each and every driver who is taking part in the title, whether you live here in Kingaroy, or whether you have travelled from Margaret River in the West, or from Hobart in Tasmania, thankyou for making the effort to take part in this event, which promises to be one hell of a race meeting.

Current National Champion, Cam Waters heads the line-up, and we are so lucky to someone like Cam as our National Champion. Last years National Title, will be one to be forgotten in quite a while, with a great event from beginning to end, and the racing was first class, and there is no doubt it will be elbows up and out here at the Showgrounds. We continue to break new ground with this Title, it not only is Live Streamed but will also have the Giant Screen for the fans here at the venue.

Speedway Sedans Australia would also like to acknowledge the fans, who week in week out, support Sedan racing around the Country. Without your support, events like this would not be possible. I would also like to acknowledge the officials for this event, who have come from all parts of Australia for this event as well. Thank you for giving up your time to be a part of this event.

This is our final National Title of the season, with next years titles now decided, with the Modified Sedan Title heading to Carrick in March 2020. The Junior Sedan Title will head to Collie in Western Australia, the Super Sedans will be heading to Borderline Speedway in Mt Gambier, the Street Stock Title will be held at Latrobe, Tasmania, while the Production Sedan Title will be held at the Ellenbrook Speedway.

# Welcome to Kingaroy

Kingaroy is an agricultural town and locality in the South Burnett Region, Queensland, Australia. It is approximately 210 kilometres or about 2½ hours drive north-west of the state capital Brisbane. The town is situated on the junction of the D'Aguiar and the Bunya Highways. Kingaroy has experienced growth in recent years with the population reaching 9,586 at the 2011 census. Rural settlement of the area dates back to 1843, however the Markwell brothers settled the district where the Kingaroy now stands in 1878. Kingaroy celebrated its Centenary in 2004. Kingaroy is the largest town in the South Burnett region.

It is known as the "Peanut Capital of Australia" because Australia's largest peanut processing plant is located in the town and peanut silos dominate the skyline (*pictured top right*). Kingaroy is also well known as the hometown of former Premier of Queensland, Sir Joh Bjelke-Petersen.

Kingaroy also has a vibrant sporting, cultural and social life and is home to an art gallery and several local craft outlets as well as a range of well-maintained and attractive parklands. The town is home to a number of leading sports people including NRL players Chris Sandow and Chris McQueen Wallabies centre/fly-half Berrick Barnes, as well as former Australian cricket test and one-day opening batter Matthew Hayden and Southern Stars women's cricket Australian representative bowler Holly Ferling. The town has two lookouts (at nearby Mt Wooroolin and Apex Park in Fisher Street) which provide striking panoramic views across the area. Kingaroy also has its own golf club, cricket club, bowls club plus the Kingaroy & District Tennis Association and of the course our notable Speedway track. Along with this Kingaroy has a rich history with Australia's four Football codes with Rugby League being arguably the most popular sport. The Local Kingaroy Rugby league football team is known as "the Red Ants". This popular team name comes from the origin of the name Kingaroy, which is claimed to be derived from the Wakka Wakka Aboriginal word for 'Red Ant'. The red ant features on the old Kingaroy Shire coat of arms.

Kingaroy has the most cosmopolitan feel of any South Burnett township but it's still a relaxed, friendly and informal country town at heart. It has the typical low-humidity climate of all South Burnett townships and is surrounded by extensive (and very picturesque) farmlands interspersed with low rolling hills.

Traditionally, Kingaroy has always been the centre of Australia's peanut and navy bean industries but since the early 1990s it has also developed into one of the twin hubs of the South Burnett's rapidly expanding wine industry (the other hub is at Murgon, Redgate and Moffatdale, 55 kilometres (34 mi) to the north). Several wineries are located either in or very close to the town, along with the Booie Range Distillery which opened in 2001 — only the third distillery in Queensland.

Droughts and uncertainty surrounding the region's annual peanut crop led some farmers to diversify and grow grapes. Rich volcanic soil, hot dry summers and cold winters proved to be ideal conditions for wine growing. Quite a number of vineyards were established in the region, and the success of their wine enables the South Burnett region, which includes Kingaroy, to promote the area as a tourist destination.

Other than grapes, peanuts and navy beans, other crops commonly grown in the Kingaroy area are sorghum, wheat, corn, sunflowers, citrus fruits and duboisia, a kind of plant often used for pharmaceutical products. Hardwood Forestry Plantations have been prominent across the landscape since the early 2000s, having been established on many farms in the region as joint ventures between Landholders and the Queensland Government. The Plantation Forestry Industry is expected to provide employment for many locals in the future. So enjoy your time in Kingaroy and the IBRP / AHI SSA National Modified Sedan Title.

### The Victorian's are here!

In what has become a real 'us versus them' battle in Modified Sedans, a big contingent of Victorian Modified Sedans have made the trip north to take part in the IBRP / AHI SSA National Modified Sedan Title.

Victoria would have to be the second biggest state for Modified Sedans behind Queensland, but in terms of raw ability and speed, match the leading Queenslanders in every aspect.

The defending National Champion Cameron Waters, needs no introduction, but check out this list of Victorian superstars all here to take on Queensland and take the #1 roof plate back home:

Kye Walters, Brock Atkins, Jake Drewett, Martin Hawson, Matt Nelson, Mark Carlin, Wade McCarthy, Rodney Burr, Rachel Platt, Justin Drew, Graham West, David Smith, Bryan Galley, Brody Christie, Brad Warren and Ash Parkinson. You can even throw in Greg Stevenson from Canberra in the ACT who's made the trip north.

The amount of state and national titles and podium finishes at every big event around the country is remarkable among this Victorian list and we can't wait to see them go around this weekend.

For a lot of these drivers, who raced in Toowoomba only weeks ago and at the Kings Royal back in January, we really appreciate your support and effort to turn around and travel back to Queensland for the IBRP / AHI SSA National Modified Sedan Title.

### Huge Distances travelled to make Kingaroy

It's phenomenal to think that drivers, families and their crews are willing to spend days on the road and water, to attend a national title thousands of kilometers away, on the other side of the country or in Trent Quillerat's case, across the ocean.

Tasmanian Trent Quillerat has made the trek north across the water and then treks a further 2,000km by road to take part in the National Title. While three Western Australian cars Clint Noakes, Mick Johnson and Allan Mortimer have all entered for the upcoming IBRP / AHI SSA National Modified Sedan Title to be held in Kingaroy on 26 & 27 April.

For Noakes and Mortimer who both competed at the Kings Royal earlier in the year, will make their second trip to Kingaroy in the space of three months. For Mortimer, who took his car home in January, is about to make the massive trip across the country (4,000 km each way) with his race car in tow for the second time this year. For Noakes, who raced in Toowoomba only a couple of weeks ago, had previously left the car in Queensland and will fly himself and his crew back into Queensland to the prepare the car and embark on another assault at Kingaroy.

The third driver is Mick Johnson, who resides between Western Australia and Victoria. Johnson already has his racecar on the eastern state after racing in Toowoomba a couple of weeks. He will make the trip back up the coast from Victoria to take part in the National Title.

We'd sincerely like to acknowledge and thank all these drivers and the rest of the field that are travelling such massive distances to be part of the IBRP / AHI SSA National Modified Sedan Title this weekend.

Between them, they hold 16 National titles across numerous SSA divisions.

**Modified Sedans:** Cameron Waters (2018), Brett Baxter (2016), Mark Carlin (2009, 2014 & 2015), Aidan Raymont (2013), David Smith (2012), Max Clarke (2011), Justin Drew (2006), Ash Parkinson (2000), Gary Pagel (1999) and Greg Worling (1998).

**Other SSA divisions:** Chris Hayden (Junior Sedans -2007), Brock Atkins (Juniors Sedans - 2015), Steve Jordan (Super Sedans - 2011) and Tim Atkin (Production Sedans - 2014).

In addition to this, the field includes 24 state champions that amass 64 titles amongst them.

Mick Johnson, Allan Mortimer, Clint Noakes, Martin Hawson, Bryan Galley, Ash Parkinson, David Smith, Graham West, Kye Walters, Tim Smith, Shane MacDonald, Johnno Collins, Rodney Pammenter, Matt Nelson, David Jacobi, Brodie Boss, Greg Worling, Gary Pagel, Steve Jordan, Tim Atkin, Aidan Raymont, Mark Carlin, Tim Weir and Brock Atkins.

## It's a long way to North Queensland

We never underestimate the commitment and dedication of our North Queenslanders that continually travel to support our events at INRP Kingaroy Speedway.

The trip to Cairns is 1500km, a similar distance south to somewhere like Mildura. Steven and Dave Manly, Johnno Collins and Graham Kleinhans have made the trip from Cairns, while Hayden Stephenson and Adam Jorgensen have trekked south from Townsville.

A little further south from the Mackey region are Matt Hawkings, Darren Severs, Wayne and Miles Gilroy, Kent Menzies, Ben Richardson and Cameron Birch. Along with these drivers, 3 cars owned by Mackay based teams; Welby Race Engines Commodore, The Boss Family Commodore and the Jeff & Bec Smith FG Falcon.

The passion for our support and supporting venues like Kingaroy is what drives families to spend days on the road, but rest assured the North Queenslanders have brought an almighty line up to the National Title and could very well take home the A1 trophy, which will be the first time in history.
