

## **POSTION: CLEANER**

### **WHO WE ARE**

Downer is a diversified engineering and services business. With over 19,000 employees we build strong relationships of trust with our customers, truly understanding and predicting their needs and bringing them world leading insights and solutions.

Our Mining Division is Australia's leading diversified mining contractor.

As part of this team, you'll join a group of innovative thinkers who work together to provide safe, ethical and environmentally conscious outcomes that exceed customer expectations.

### **POSITION SUMMARY**

Downer Mining has a contract with Stanwell Corporation to provide total mining services at Meandu Mine. The mine supplies coal to the adjacent Tarong Power Station and is a residential mine located 25 kilometres south-east of Kingaroy, with the majority of its workforce being employed from the local community.

**We are currently seeking a Mine Site Cleaner to join our Meandu Mine team.**

We have opportunities for both Full-Time on a lifestyle roster (5/4, 4/5, 5/5) and casual positions. This role is a residential position; therefore, no camp or accommodation is provided.

### **KEY RESPONSIBILITIES**

- Delivering a quality cleaning maintenance service, interacting with clients in a polite and courteous manner and working to Company Policies, Procedures and Code of Conduct.
- Working with a range of cleaning equipment, according to our safe work procedures, to deliver safe and efficient cleaning services to the expected quality standards.
- Handling a variety of chemicals and other hazardous goods used in cleaning procedures.

- Applying a safe and health conscious approach to the physically demanding environments including lifting, bending, working at heights.
- Working autonomously as well as in a team environment, always considering others around you.
- Demonstrating excellent time management and work ethic to meet workflow requirements safely and to standard.

## **ABOUT YOU**

- Experience as a Mine Site Cleaner
- A current Full Open Manual Driving Licence
- A current Coal Board Medical and Standard 11
- Professional approach with the ability to communicate with your supervisors and the client as an active, thoughtful member of your team.
- Strong work ethic, helping to maintain a positive team spirit and safe work environment

## **WHAT WE OFFER**

- Residential Role
- Our Zero Harm attitude to Safety and the Environment
- A diverse and supportive work environment where individuals are encouraged to show initiative

Please note, resumes will not be accepted via email however, if you have any questions regarding this role please contact Taylah Williams at [Taylah.Williams@downergroup.com](mailto:Taylah.Williams@downergroup.com)

Please note: You must have the right to live and work permanently in Australia

**Applications for this role close Sunday, 19th of July 2020**
